

The background is a dark, star-filled space with several prominent galaxies. Two large, bright blue and purple spiral galaxies are positioned in the upper left and upper right corners. In the center, there is a large, glowing purple and blue ring-like structure, possibly a galaxy or a nebula. In the lower left and lower right corners, there are clusters of glowing blue and white points, resembling star clusters or nebulae. In the center of the image, there is a rectangular window with a black background and green vertical lines, resembling the Matrix-style code.
